**A minimum parts purchase of \$12,500 is required for discount to apply. Customer may combine multiple units to reach the minimum parts purchase. Customer will pay the travel charge if the inspection is completed on-site. If recommended repairs or rebuild are not scheduled within 15 days after the inspection, the customer will be billed \$100/hour for the cost of the inspection. Not all brands available at all locations. For additional details, call today.*

***Minimum parts purchase of \$1,250 is required for discount to apply to HAMM rollers.*
